Parent Check List

Size: Storyboards will be constructed on a tri-fold project board. The board should be full-sized, at least 30" H x 40" W, and not to exceed 36" H x 48" W. The total height of the project cannot exceed 36". A tri-fold board that is already 36" in height should not have anything added to the top. The total project should not exceed the width or depth of the standing display board (approximately 36" W x 14" D of table space). No items should hang over the edge of the table or be placed on the floor. However, students may hold or wear items that coordinate with the project, if desired.
